

Extraordinary Announcement of 4iG Plc.
on implementing a Transformation Program

4iG Public Limited Company ("4iG") hereby informs the participants of the capital market that the Transformation Programme ("Programme") launched on 13 November 2023 has reached its next significant milestone with the fact that the separation of a Vodafone Magyarország Zrt. by way of a spin-off decided on September 17, 2024 was completed on 31 December 2024 (the date of spin-off), in view of which the name of Vodafone Magyarország Zrt. has been changed to One Magyarország Zrt. as of January 1, 2025, as well as V-Hálózat Távközlési Zrt. – which includes the infrastructure division – has started its operation on January 1, 2025, therefore the commercial and infrastructure divisions continue to operate in separate companies.

4iG hereby informs the participants of the capital market of another significant milestone in the Programme, whereby the separation of 4iG by way of a demerger decided on September 30, 2024 was completed on 31 December 2024 (the date of demerger), in view of which 4iG Informatikai Zrt. – which includes the IT division – has started its operation on January 1, 2025, therefore the IT division continues to operate in separate company.

4iG will continue to keep investors informed about the Programme and its implementation status, in line with its previous practice.
